NSW Legislative Council Standing Committee on Law and Justice opens submission process

Further to the announcement on 12 June 2019, NuCoal Resources Limited (ASX: NCR) (**Company**) is pleased to advise shareholders that the Legislative Council Standing Committee on Law and Justice (**Standing Committee**) has now formally opened up a submissions process with respect to the *Mining Amendment (Compensation for Cancellation of Exploration Licence) Bill 2019* (the **Bill**) introduced into the NSW Upper House by member Rev Fred Nile on 6 June 2019.

The Standing Committee is to inquire into and report on the Bill and will be accepting public submissions until **31 July 2019**.

The Company will be lodging a detailed submission on behalf of shareholders but does encourage shareholders to lodge their own submission. Given the Standing Committee is tasked with assessing the Bill itself and not considering any applications for compensation, shareholders are reminded to keep the contents of any submission specific and to the point.

The Legislative Council has issued a general fact sheet which outlines some things people may wish to consider when lodging a submission to a Legislative Council Committee. For ease, this fact sheet is available on the Company's website via the following link → <http://nucoal.com.au/fact-sheet-making-a-submission/>.

For those shareholders who wish to lodge an individual submission to the Standing Committee, the link is also available on the Company's website via → <http://nucoal.com.au/lodge-a-submission-legislative-council-standing-committee-on-law-and-justice/>.
