VOTING ENTITLEMENTS

Eligibility to vote

The Board has determined that a Shareholder's voting entitlement at the Annual General Meeting will be taken to be the entitlement of a person or company shown in the register of Shareholders as at 7:00pm (AEDT) on Wednesday 27 November 2024.

Voting at the meeting

Ordinary resolutions require a simple majority of votes cast by Shareholders present and entitled to vote either by proxy or in person or by representative on the resolutions. For a special resolution to be passed, at least 75% of the votes cast by Shareholders present and entitled to vote on the resolution must be in favour of the resolution.

Proxies

- A Shareholder entitled to attend the Annual General Meeting and vote has a right to appoint a proxy. A Proxy Form accompanies this Notice of Meeting for this purpose.
- The proxy need not be a Shareholder of NuCoal.
- Any instrument appointing a proxy in which the name of the appointee is not completed will be regarded as given in favour of the Chairman of the Annual General Meeting.
- The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the Annual General Meeting and voting personally. The appointment of a proxy is not revoked by the Shareholder attending and taking part in the Annual General Meeting, but if the Shareholder votes on any resolution, any proxy is not entitled to vote, and must not vote, as the Shareholder's proxy on the resolution.
- Shareholders who are entitled to cast two or more votes may appoint not more than two proxies to attend and vote at the Annual General Meeting. When appointing two proxies, please either obtain an additional Proxy Form from the Company's Share Register or copy the original proxy provided.
- On each Proxy Form state the nominated proportion or number of votes each proxy may exercise. If no such proportion or number is specified, each proxy may exercise half of the votes. Neither proxy may vote on a show of hands.
- Proxy Forms must be signed by a Shareholder or the Shareholder's attorney, or if the Shareholder is a corporation must be signed in accordance with section 127 of the Corporations Act or under the hand of its attorney or duly authorised officer. If the

Proxy Form is signed by a person who is not the registered Shareholder (e.g. an attorney), then the relevant authority (e.g. in the case of Proxy Forms signed by an attorney, the power of attorney or a certified copy of the power of attorney) must either have been provided previously to NuCoal or be enclosed with the Proxy Form.

- To be effective, Proxy Forms must be received no later than 10:30am (AEDT) Wednesday 27 November 2024, by the Company at its registered office or deposited at or faxed to the Company's Share Registry at:

- If a body corporate is appointed as a proxy, please write the full name of that body corporate (e.g. Company X Pty Ltd). Do not use abbreviations. The body corporate will need to ensure that it:

(a) appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and

(b) provides satisfactory evidence to the Company or the share registry of its corporate representative's appointment before the Annual General Meeting.

If no such evidence is received before the Annual General Meeting, then the body corporate (through its representatives) will not be permitted to act as proxy.

- If the Proxy Form is left undirected with respect to any resolutions and in favour of the Chairman (or if your appointed proxy fails to attend), then the Chairman will vote such proxies in favour of those resolutions.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum contains an explanation of, and information about, the Resolutions to be considered at the Annual General Meeting.

The Explanatory Memorandum forms part of the accompanying Notice of Meeting and should be read with the Notice of Meeting.

BUSINESS

Resolution 1 – Remuneration Report

The Remuneration Report is set out on pages 11 to 15 of the Company's 2024 Annual Report. A copy of the Annual Report is available on the Company's website at www.nucoal.com.au.

The Remuneration Report sets out the Company's remuneration arrangements for Directors, including key management personnel, collectively referred to as Executive KMP. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Under section 250R(2) of the Corporations Act, a resolution that the Remuneration Report be adopted must be put to the vote of the Shareholders at the Annual General Meeting. This resolution is advisory only and does not bind the Directors or the Company.

Under a recent amendment to the Corporations Act (**Legislative Amendment**), if 25% or more of votes that are cast on the resolution are voted against the adoption of the remuneration report, at two consecutive annual general meetings, Shareholders will be required to vote at the second of these annual general meetings on a resolution (a **Spill Resolution**) that another meeting be held within 90 days (**Spill Meeting**), at which:

- (a) all of the Company's Directors cease to hold office immediately before the end of the Spill Meeting; and
- (b) resolutions to appoint persons to offices that will be vacated immediately before the end of the Spill Meeting will be put to the vote at the Spill Meeting.

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board unanimously recommends that Shareholders vote in favour of adopting the Remuneration Report.

Voting exclusion statement

A vote must not be cast (in any capacity) on Resolution 1 by or on behalf of a member of the Company's key management personnel (**KMP**), details of whose remuneration are included in the Remuneration Report, and their closely related parties, whether as a Shareholder or as a proxy. However, a vote may be cast on Resolution 1 by a KMP or a closely related party of a KMP, if:

- the vote is cast as a proxy;
- the appointment is in writing and specifies how the proxy is to vote on Resolution 1; and
- the vote is not cast on behalf of a KMP or a closely related party of a KMP.

The Chairman's voting intention in respect of Resolution 1 is to vote any proxies appointing him in favour of the Resolution.

RE-ELECTION OF DIRECTOR

As per section 20.2 of the Company's Constitution, dealing with the retirement of Directors, Mr Gordon Galt, will retire from office at the 2024 Annual General Meeting.

In accordance with the requirements of section 20.2 of the Constitution, Gordon is eligible for re-election.

Resolution 2 – Re-election of Mr. Gordon Galt

Gordon is a mining engineer with extensive coal industry experience in Australia since the early 1970's. In Queensland he worked at South Blackwater, gaining his First Class Mine Manager's qualifications in 1976, then was one of the key early development team members at Capcoal German Creek in 1977. He was initially Open Cut Manager then Mine Manager at Central Colliery – Queensland's first longwall mine and for many years Australia's most productive underground coal mine. He was then Development Manager for Southern Colliery, also at German Creek in 1987. In 1991, Gordon was appointed Operations Manager at Ulan Coal in NSW. He became General Manager at Ulan in 1993, then Managing Director at Cumnock Coal in 1996 before roles as Managing Director with Newcrest Mining and in investment banking with ABN AMRO. Gordon is currently Non Executive Chairman of QMetco Limited and a Principal and Director of Taurus Funds Management Pty Ltd.

The Board (other than Mr. Galt) endorses Mr. Galt as a candidate for re-election and recommends his reappointment to the Board.
